

RESOLUTION TO AMEND ARTICLE 1 OF ACM SIGSIM BYLAWS

February 6, 2009

WHEREAS, the name of the field for which SIGSIM was created to serve has changed over the years, starting with “Digital/Analog Computer Simulation”, “Digital Computer Simulation”, “Computer Simulation”, “Simulation and Modeling”, and most recently “Modeling and Simulation”; and

WHEREAS, the Society for Computer Simulation (SCS) changed its name in 2002 to the Society for Modeling and Simulation International to be consistent with the current name of the field; and

WHEREAS, ACM Computing Reviews category I.6 has always been named as “Simulation and Modeling”; and

WHEREAS, SIGSIM Bylaws Article 1.b defines the scope as related to computer-based models; therefore be it

RESOLVED, that SIGSIM Bylaws Article 1.a be changed from “...Special Interest Group on Simulation (SIGSIM)...” to “...Special Interest Group on Simulation and Modeling (SIGSIM)...”; and be it further

RESOLVED, that SIGSIM Bylaws Article 1.b be changed from “... computer-based models.” to “... modeling and simulation.”
